

Damage Waiver

As an added service, unless declined, we automatically charge a damage waiver fee of 7% of the gross rental charge. In return, The Party Store LLC waives your responsibility for accidental damage to the equipment while in your possession and control. You must still take reasonable precautions to protect the equipment and not intentionally damage to the equipment.

The “Damage Waiver” is required on all rental equipment. This covers the renter for accidental damage to the rental equipment. This damage waiver fee can be waived if the customer provides to the Party Store LLC a certificate of insurance from their insurer that shows The Party Store LLC as an additional insured as well as showing coverage for “Contractors rented equipment” up to the value of the unit(s) being rented.

Damage waiver is not insurance. You are still responsible for all personal injuries or property damage as set forth in the Rental Contract or operation of the equipment. The damage waiver is enforced for the same duration as the rental period. A rental period begins when you pick up the rented equipment or it’s delivered, and ends when the rented item is delivered or the contract time expires.
